E. B. BRIDGEWATER, EDITOR  
K. C. HOPPER, MANAGER

HERE'S luck to our polo team.

Two hangings on one day is a  
distinction which Waimanalo citizens  
are said not to particularly relish.

Now that Superintendent Pope  
is back, school matters will again  
assume their usual trend.

OFFICIALS would be a fair  
diagnosis in the case of the Hono-  
lulu Board of Supervisors.

MAY the next President of the  
Board of Health have less strings  
to his bow and more time to devote  
to his job.

THE GARDEN ISLAND has made  
special arrangements for reporting  
the victory of the Kauai polo team  
next Saturday.

GEORGE CARTER at the head of  
the Board of health Department  
would be an assurance that matters  
would be conducted satisfactory to  
all.

"I learn something every time I come  
to Kauai. This time I have learned that  
Kauai has the finest roads in the Terri-  
tory."—Prominent Honolulu Attorney.

Same old story, but it never fails  
to make us feel good.

It doesn't make any difference  
to the tax payers who does the  
hiring but it will be up to the Oahu  
voters at the next election, to do  
considerable firing.

KNOTLEY and his Home Rulers  
have decided to have Kuba appointed  
Governor, firing the first gun of  
assurance at a mass meeting in  
Aala Park Saturday evening. Look  
out Knotley, that the dingbusted old  
gun don't backfire.

AN Indiana prophetic predicts  
that the world will come to an end  
this year, while a St. Louis woman  
places the catastrophe next year.

Owing to the confusion of dates  
the affair will probably have to be  
postponed again.

WHAT'S become of the Hanape-  
pe School proposition. Vacation  
is half over and the matter is very  
likely quietly reposing in some dust  
covered pigeon hole. If the Hono-  
lulu officials are in no position to  
expedite this matter, they should  
turn it over to our local board of  
supervisors who have the reputa-  
tion of "doing things."

ABOUT the first really important  
measure that the Honolulu Board  
of Health can so far be accused of  
committing, is the screening of the  
fish market. For years, filth of  
every description has been a daily  
addition to the meats and fish dis-  
played in the market stalls and  
that this matter has at last become  
the subject of the Board's attention,  
speaks well for the future prospects  
of a sanitary Honolulu.

"GOING SOME," YES?

THE Morning Advertiser of  
August 3rd., with its usual degree  
of correctness (?) relieves itself of  
the following:

"The Kauai ponies are in town and  
evidence of the miniature horses are  
now considerably stalled at Honolulu. New  
ponies have been added to the Kauai  
string, and the team has a better lot of  
nomms than last year—and that is going  
some."

At the time the Advertiser's  
readers were given the above infor-  
mation, the "miniature horses"  
were prancing over the green on the  
Huleia grounds in their last practice  
game before leaving for Honolulu  
and were not within a hundred  
miles of the "Moowah stalls." We  
trust that the col who permitted  
himself to come within one hundred  
miles of the truth, in anything he  
might say in his paper, will have  
the grace to allow himself to be  
jailed at once, as it would be a  
menace to the paper's reputation  
to allow such a dangerously near  
truthful reporter to continue at li-  
berty.

## Revolutionary Claims Are To Be Adjusted

The claims of the Hawaiian pri-  
soners during the revolution of  
1895, will be taken before a board  
of arbitration for final adjustment,  
according to late advices from Ho-  
nolulu.

## We'll Make All Sugar We Need

From Washington comes a sug-  
gestion by a prominent sugar man,  
to the effect that, within fifteen  
years, this country will produce all  
the sugar needed, if the tariff re-  
mains undisturbed.

## Insane Asylum Fire Kills Eight Persons

The destruction of an insane Asy-  
lum in Hamilton, Ontario, by fire,  
caused the death of eight inmates,  
destroyed the building, and injured  
many.

## Prominent Mexican After Presidency

According to latest advices from  
Mexico City, Bernardo Reyes, a  
prominent man, politically, has an-  
nounced his candidacy for presi-  
dency.

## California Forest Is Left To Flames

The gravity of the situation in  
the great forest reserve fire, which  
is raging near San Bernardino Cal-  
ifornia, can be partly realized  
when we consider that an army of  
men who have been fighting the  
fire day and night, have been forced  
to retire from exhaustion, abandon-  
ing the forest to the flames.

## Army Polo Man Comes To Kauai

Capt. W. D. Forsyth, the popu-  
lar director of the Fifth Cavalry  
crack polo aggregation, came up on  
the Kinau to attend the last polo  
practice by our local boys before  
going onto the firing line. While  
here he was the guest of Mr. and  
Mrs. A. H. Rice.

## Home Rulers Back Cupid For Governor

The Home Rule element is out  
with a booster for Prince Cupid for  
Governor. They plan a vigorous  
campaign. "Its up to you" says Ku-  
hio to Knotley, and a mass meeting  
has been held whereat "Kokuas"  
in a general publicity campaign  
were secured in which it is planned  
to not only present the matter be-  
fore the people, but to take it be-  
fore President Taft.

## Popular Teachers Visiting Kauai

Miss Basher principal of the Ka-  
waiahao Seminary and Miss Kinney  
her assistant, are spending a few  
weeks at the Lydgate Mountain  
House at Kamooloa. They are en-  
thusiastic about the natural beauty  
of the region and Kauai in general.

## Japan Portrayed By Magic Lantern

On Sunday Evening Rev. J. M.  
Lydgate gave a lantern exhibition  
at Kilanea on Picturesque Japan,  
showing beautiful colored pictures  
illustrative of his recent visit there.  
A collection was taken for the ben-  
efit of the Kilanea Church. On  
Monday Evening he gave the same  
show at Hanalei.

## A Serious Accident Narrowly Averted

WAIMANA.—What might have  
been a serious accident, was pre-  
vented only by the presence of  
mind of the drivers of two machines  
which swerved round a curve, near  
here to-day.

Dr. Sundow was in charge of one  
car, while Mr. Knudsen was at the  
steering post of the other, and as  
they swung to make the curve,  
came into view. No damage was  
done, but it is not unlikely that  
two of Kauai's distinguished citi-  
zens experienced a chilly sensation  
in the vicinity of their spinal  
columns.

## Pres. Mott-Smith Lets Go His Job As Boss

President Mott-Smith, who has  
held down the lid on the Board of  
Health during a period of unusual  
experiences, has resigned. As yet  
there has been no suggestion of a  
successor for the position.

## American Tobacco Co. Has Gone The Limit

Present indications point to the  
prohibition of further merging of  
the American Tobacco Co., which  
has become of such gigantic pro-  
portions as to endanger all com-  
petitors.

## Three Leading Nations Declare For Peace

The United States, Great Britain  
and France have signed the peace  
treaty. This act is causing much  
satisfaction among officials of the  
respective countries and it is now  
believed that other countries will  
fall in line without much further  
delay.

Mrs. J. H. Cummings, wife of  
real estate dealer J. H. Cummings  
of Honolulu, arrived on the Kinau.  
Mrs. C. Spillner was a returning  
passenger on the Kinau.  
G. N. Kane was an arriving pas-  
senger on the Kinau, Wednesday.
